Ingredients

- 1 box moist-style devil's food cake mix (15.25 - 18.25 oz.)
- One 12-oz. can (1 1/2 cups) no-calorie cola
- 1/4 tsp. peppermint extract
- 2 standard-sized candy canes *or* 8 mini candy canes
- 1 tsp. powdered sugar
- 1 tbs. mini semi-sweet chocolate chips

Directions

Preheat oven to 350 degrees. Line a 12-cup muffin pan with foil baking cups, or spray it with nonstick spray.

In a large bowl, combine cake mix, soda, and peppermint extract. Mix until completely smooth and uniform.

Finely crush candy canes. Stir *half* into the batter. Evenly distribute batter into cups of the muffin pan. (Cups will be full to the brim!)

Bake until a toothpick inserted into a muffin comes out mostly clean, 20 - 22 minutes.

Let cool slightly, about 10 minutes.

Sprinkle cupcakes with powdered sugar and remaining crushed candy canes. Top with chocolate chips!
